Sharing Memories ...

And telling the story

Of a special life

Saying Goodbye

It's never easy, but saying goodbye is an important, natural and healthy part of the grieving process. Our caring staff can help you decide the most appropriate way of honoring your loved one, from a more traditional public ceremony joined by family and friends, to a private, meaningful time spent with just your immediate family. Regardless of how you choose to say goodbye, our professional staff is always ready to serve.

Sharing the story

A caring parent, a lifelong companion, a close family member – every life tells a story. Our staff will help you share that story in a unique and appropriate way. We believe in honoring the life of the individual by recognizing how they touched the lives of others. This is a story that we all have to share.

It's Time to Say Goodbye

It's time to say goodbye
to a dear and trusted friend,
the words I want to say
are held captive in my pen.

My eyes are fogged and weeping
My heart cries out in pain
I know just what I want to say
And yet this thought remains.

Why didn't I embrace him
and really let him know
how much his life meant to me
and that I loved him so.

But "no," we don't talk like that
although we really should,
but Lord if he could be here now
I know I really would.

Don Sheldon
"The Graveyard Poet"
